

Disposal of County Bosses

Gloucestershire Archery Society are completing the replacement of their straw bosses and offering the redundant straw bosses for sale to the county's clubs. Each club can put in an offer for a maximum of three bosses at £30 per boss without a stand or £35 per boss with stand. The offer from a club must be received by the county secretary at

mrw25@tiscali.co.uk.

by midnight on 10th of February. Payment must be received by the county treasurer before bosses are collected from the county equipment store at the Bowmen of the Deans ground in the Forest of Dean. A club is responsible for collecting their purchased bosses and must contact Bowmen of the Deans directly to arrange collection. Please note that as they are already being booked for a tournament, the bosses will not be available for collection until after Sunday 10th June.

In the event that not all of the bosses are sold, clubs will be able to bid for the unsold bosses.

Please note a club is a single entity i.e. a club that has both a senior and a junior club is a single club, not two separate clubs and can only submit a single bid for three bosses.
